

CONTRACT CLOSEOUT DOCUMENT

User Acceptance Testing (UAT) Sign-off

Migori Public Library Management System

CLIENT

Rotary Club of Suna-Migori

SITE

Msomi Complex, Migori Town, Migori County

SYSTEM

Codevertex Library Management System

PROJECT

Migori Public Library Project

GRANT REFERENCE

Rotary Global Grant GG2350346

UAT DATE

01 August 2026

This document records the User Acceptance Testing performed by the Client's designated staff on the Codevertex Library Management System delivered under the Award Contract dated 20 July 2026. Each item below was demonstrated and exercised by the tester(s) named below, who confirm the system performs as expected for the Library's day-to-day operations.

Test Scope & Results

For each row, the tester ticks exactly one box — Pass or Fail — after exercising that feature.

#	Test Area	Expected Outcome	Pass	Fail
1	Staff / PIN login	Librarian and desk staff can log in and reach the correct dashboard for their role	☐	☐
2	Cataloguing	New titles and copies can be added, edited and searched in the catalogue	☐	☐
3	Circulation	Checkout, return and renewal of books work correctly and update availability	☐	☐
4	Members	Patron registration, membership records and holds function correctly	☐	☐
5	Fines & fees	Overdue fines calculate and can be recorded as paid	☐	☐
6	Reports	Circulation and stock reports can be generated	☐	☐
7	Barcode / label printing	Copy barcode labels print correctly via the supplied X-POS/USB printer	☐	☐
8	Multi-device access	System is accessible from mobile, tablet and desktop devices as supplied	☐	☐
9	Staff training	Designated staff confirm they received training sufficient to operate the system unassisted	☐	☐

Outstanding Issues

☐ None — the system is accepted as delivered.

☐ Minor issues noted below, accepted with the following agreed follow-up (does not block sign-off):

Acceptance

The undersigned, on behalf of Rotary Club of Suna-Migori, confirm that the Library Management System has been tested against the areas above and is accepted as meeting the requirements of the Migori Public Library Project.
